Good morning all,

As mentioned at the FFCSA meeting on Wednesday, I received a call from the DBSA as a follow up to letters we had sent earlier in the year. These letters are attached. I have also attached the response form the Chairperson of the Board of Directors.

We've been invited to submit dates for a meeting with Olympus Manthata (Head of Climate Finance) and team, as well as Zeph Nhleko (Chief Economist co-ordinating corporate strategy, knowledge management, research and economics).

Glen and Zahra have suggested the week before COP, as they will be in JHB in the event we have an in person meeting.

Would anyone else like to join a meeting with DBSA and does the week of the 31st of October suit you? @Glen / @Zahra, please let me know what days you are in JHB.

If there are particular items to raise with DBSA, please also let me know, and we can add to the agenda.

If you could please let me know over the next few days, and I can send the possible dates and attendee list to Olympus for further arrange.

Best

Alia
